- 9 Feb.** Clipsal launch excursion
- 10 Feb.** Year 6/7 Teacher Planning Day
- 15 Feb.** Acquaintance Night
- 21 Feb.** Year 7 Canberra Trip Information Evening (6pm iCentre)
- 2 Mar.** Clipsal Excursion
- 3 Mar.** Year 6/7 Teacher Planning Day
- 8 Mar.** Kauwi Centre Exc. (Room 7 & 9)
- 10 Mar.** Kauwi Centre Exc (Room 8 & 10)
- 13 Mar.** Adelaide Cup Public Holiday
- 17 Mar.** Pupil Free Day
- 7 Apr.** Year 6/7 Aquatics Day
- 13 Apr.** Last day of term (early dismissal)

Our Integrated Units of Inquiry (2 of 6 for 2017)

'Who we are'

Central Idea: Effective leadership inspires action

Lines of Inquiry:

- The attributes and qualities of a leader (form); and
- How personal leadership qualities can inspire action? (reflection).

'Sharing the Planet'

Central Idea: Water is Life

Lines of Inquiry:

- The forms that water takes as a resource, water cycles and systems (function)
- The way the flow of water connects places as it moves through the environment (connection)
- Problems that arise when there is too much or not enough water (responsibility)

Science- Australian Curriculum

Students will be undertaking a six-week inquiry into the effect of unbalanced forces on an object's motion. This inquiry will develop student's understanding and application of scientific methodology and inquiry skills. The process will be supported by the school's science teacher, Anthea Ponte.

Year Level Information

Child Protection focus: Relationships

Aboriginal Cultural Studies:

As part of our inquiry into water is a resource, we will be incorporating Indigenous histories and perspectives regarding water.

In the local Kaurna language, Kauwi means 'fresh water'

We will be visiting the Kauwi Centre, which provides information on desalination and tells the story of water in South Australia, from European settlement through to now. It also provides information about the Kaurna people, the traditional custodians of the land on which the centre is built.
