What a week of fabulous events to not only mark our quasi quincentennial (125th) anniversary but to celebrate with the Rose Park Primary School community. So many of our community, including students; present and past, stepped up to lead various events throughout Week 1 of this term. The impetus for the week of celebrations came from Kerrie Davies, tireless President of the Old Scholars, who had successfully applied to Burnside Council for a history grant in order to stage the Rose Park PS ‘walk through time’ history display located in the i-Centre.

We also acknowledged the 100th anniversary of ANZAC along with our ANZAC servicemen and women at a very moving ceremony led by our highly capable and articulate Year 7 leaders, Asira, Jessica, Annie, Sam, Ellie, Anson, Eli and Benjamin along with Ryan, former student and old scholar of Rose Park and supported by our Deputy Principal Rebecca Weber.

Once again we were privileged to have volunteer and retired Vietnam Veteran, Ken Duthie contribute to the service and spend the day with our students, sharing and talking about the extensive collection of military artefacts he has collected and maintained over time on behalf of the RSL History Unit.
On the Friday, over 60 old scholars and former staff members including retired principal John Turner, gathered in our Centennial Hall for their AGM whereby the committee numbers were reinvigorated with the nomination of several new members. Everyone enjoyed a sumptuous lunch and performances by Rose Park students. This included a dance through time, choreographed by our very talented Dance (and Wellbeing Leader) teacher, Kim Copeland, featuring our Reception – Year 3 students. The choir also sang and a group of dedicated students demonstrated their own creatively choreographed routine. Finally, the week culminated in our spectacular fete which proved to be a huge success in bringing the community together for a day of fun and entertainment. I’d like to thank the Fete committee led by Parents and Friends Chairperson, Bianca Nasaris along with Pia West, Tracy Wilkinson and Renee Lynn who worked tirelessly to ensure everything came together on the day.
NAPLAN goes online at Rose Park PS
This year our Year 3, 5 and 7 students have had the opportunity of being amongst the first in SA to complete their Numeracy and Literacy Assessments online. Whilst we experienced some technical hitches in the lead up to this week, I’m pleased that all students in our school have been able to access and complete their tests online; this is a significant achievement. We observed high student engagement and interest in the content.

Progress with building projects
You may have already noticed that several classrooms and common areas have been painted during the holidays and that work is well underway in converting Room 24 to one contemporary teaching and learning space with the addition of up to date technology and wireless access plus new furniture options too. The JP playground Committee has actioned Stage 1 of the new design and we should see Adventure Playgrounds commencing work once the final sign off has occurred.

Leaders Delegation to China
During the last school holidays, I was privileged to be part of a Department for Education School Leaders Delegation to China along with Dr Zhenmin Wang, International Business Manager at International Education Services, and parent in our school community. Whilst the trip was very busy, including 9 flights and one bullet train journey in under 2 weeks, covering, Guangzhou, Shanghai, Jinan, Beijing and Xian, we still managed to visit several preschools, schools and even a university along with presenting to agents during this time.
Cultural insights were also an integral part of the trip and climbing three sections of The Great Wall of China was one of my personal highlights. During meetings with education authorities in Shandong Province I had the opportunity to raise the very exciting possibility of Rose Park Primary School developing a sister school relationship with an elementary school within the province. As Primary and Secondary leaders in South Australian schools we certainly came away with a deeper understanding of educational reform aspirations in the Chinese education system and a deep desire to learn from others around the world. This opportunity has been truly inspirational and one that has furthered enhanced my understanding of broader directions in education and the relevance of Rose Park PS being a world school within the International Baccalaureate Organisation.

The Rose Park Primary School community extends its deepest sympathies to the family of Elson Abat, who passed away recently. Elson was a dedicated coach of after school sports teams for many years, and his efforts were greatly appreciated by staff, students, and their families.
ANZAC Day Commemoration Service

On Wednesday 2nd May, Rose Park Primary School hosted our annual ANZAC Day Commemoration Service. This is a new tradition at Rose Park Primary School that started in 2017, to honour all Australians who have served our country in times of war and conflict, in particular the original ANZACs who landed on the shores of Gallipoli 100 years ago on the 25th April 1915. Our service is supported each year with the generosity of time and expertise of Ken Duthy, Vietnam and Malaysia Veteran, and School Military History Officer.

In addition to our Commemoration Service each year, Ken volunteers his time to set up an interactive display in our Hall for all students R-7 to attend, which is highly engaging and informative. We thank Ken for his participation in our service and for sharing his artefacts with our school.

Our ANZAC Day Commemoration Service is run each year by our student leaders. To thank our student leaders, Di Burrell presented them with a very special memento. Once again, they presented beautifully and reflective during this time.

It was great to have some Old Scholars of Rose Park Primary school in attendance to hear Dr Kerrie Davies speak about our school and its involvement in World War 1. See below for Kerrie’s speech.

Rose Park School and its community was very involved in World War I. This was a time when Australia was still very attached to Great Britain, and most people fiercely supported her in the War. Across Australia, military training was compulsory for all Grade 6 and 7 boys. In 1915, The South Australian Children’s Patriotic Fund was established to encourage children to raise money to support the war effort, and to help refugees and displaced people in Europe. Children collected goods like silver paper (we now know it as Alfoil) and paper for re-cycling, and made and sold sweets like toffees, fudge and marshmallows. One enterprising Rose Park lad even collected cow-pats from Victoria Park and sold them to people for their gardens. School fetes were organised at Rose Park to raise funds. Money was handled by the teachers, who spent many hours recording who had raised what, and etc., and did all this extra work as volunteers. Children received badges for raising particular sums, and competition was fierce. You will see examples of the badges in the history exhibition this coming weekend. In 1915, Rose Park children raised enough money to buy a bed and an invalid chair for the Military Hospital.

So this is a solemn time, when we think of our ancestors with gratitude, and humility when we consider what they endured.

It is an honour to speak to you, as part of Rose Park Primary School’s Anzac commemoration during our 125th year. Today we remember those who made huge sacrifices enabling us to live the lives we do. 256 Old Scholars and 5 teachers fought in World War I. Of these, 36 did not come home. They are listed on the wooden Honour Roll you are all familiar with – it hangs near the School’s front office.
JP Playground Committee
The Rose Park Junior Primary playground committee, which consists of parents, teachers and school leadership met recently to continue building on the vision for our new play space.

This committee was formed in November 2017, prior to the removal of the former playground due to safety findings from an independent audit conducted in Term 1 2018.

The committee is currently sourcing designs and equipment suitable for the space that meets both our educational philosophy around outdoor learning spaces (seeing the playground as an extension of the classroom – nature play), and incorporates some structural elements to enhance the children’s recreational play. The final design is being carefully considered to ensure it incorporates both the nature play and structural elements as our committee represents the vision of the whole school community.

Given the scope of the works, this project will be staged to ensure we are delivering on both student and community needs.

School playgrounds are not funded by The Department for Education, therefore this project requires both site committed funds and community supported fundraising. Currently, with the combination of funds the school has been able to allocate for the project, coupled with the support of the Rose Park Primary School Foundation, Parents and Friends, and fundraising, we have generated enough revenue to begin Stage 1 of the playground build.

Once the design has been finalised, images will be displayed in the iCentre for viewing and the commencement of work on Stage 1 will commence thereafter.

Our committee will keep you updated about this exciting project as it unfolds.

Education Committee
Our school recently formed an Education Committee (Sub-committee of Governing Council), consisting of teachers, leaders and parents at Rose Park Primary School. The scope and purpose of the committee is to:
- Act as a conduit between the school and parent community
- Provide feedback regarding communications at the school i.e. content and information on our new school website as it develops
- Supporting our community with a greater sense of understanding of the work we do and the learning that takes place at our school
- Gathering feedback from the community about areas of interest regarding education i.e. parent workshops

The committee is currently constructing a short parent survey to gather feedback that will be sent out via Skoolbag. The findings will provide further scope as to the future directions of the committee and the priority areas that will inform our work.

Rebecca Weber
Deputy Principal

The Rose Park Primary School Building Fund

“A school building fund is solely for providing money to acquire, construct or maintain the school buildings for the purposes of using that building as a school. It cannot be used for any other purpose. Expenditure on capital improvements and maintenance, as well as installing and maintaining fixtures, are accepted outlays of a school building fund”.
[www.ATO.gov.au  12 Oct 2016]

At Rose Park Primary School, we are committed to maintaining our historical buildings and fully utilising our limited learning spaces.

This year, with increased classes, we have undertaken an enlargement of Room 24 to better accommodate our students. This involved the removal of an internal wall at a significant cost to the school. We are also looking at engaging in future major capital works to provide a larger gymnasium and more effective learning spaces for our Arts program of Music and Performing Arts.

We recently initiated a ‘Learning Environment Plan’ with the Department for Education and Assets & Management to achieve these aims and to ensure that we can continue to offer your children facilities that are maintained at a high standard.

The school relies on your support for our capital building projects and building improvements and maintenance.

A TAX DEDUCTIBLE DONATION would be gratefully received via QKR on your smartphone or via BPOINT on the school website:  www.roseparkps.sa.edu.au

Thank you,

Di Burrell  Michelle Bennallack
Principal  Business Manager
Growth Mindset

Last week the Wellbeing PLC (Professional Learning Community) presented a staff meeting based around the idea of growth and fixed mindsets. A growth mindset is the underlying belief that abilities can be developed through effort and practice. Children with a growth mindset persist in the face of challenges because they understand that effort and hard work can change ability and intelligence. A fixed mindset is the belief that intelligence is static, and cannot be changed. When children are in a fixed mindset, they tend to give up easily when they encounter obstacles, because they believe that they don’t have what it takes to learn hard things.

The concept of a growth mindset was developed by psychologist Carol Dweck and popularized in her book, *Mindset: The New Psychology of Success*. In recent years, many schools and educators have started using Dweck’s theories to inform how they teach students. Rose Park is one of these schools and the Wellbeing PLC would like to invite parents to be part of their child’s journey on developing a Growth mindset. As parents, you play a huge role in influencing the mindset of your children, so it’s important for you to model a growth mindset for your children. Showing your children that you are excited by challenges, see mistakes as learning opportunities, and understand the value of practice and trying different strategies which will go a long way in cultivating their growth mindsets.

10 What questions to develop a growth mindset in children

- What did you do today that made you think?
- What happened today that made you keep going?
- What can you learn from this?
- What mistakes did you make that taught you something?
- What did you try hard at today?
- What strategy are you going to try next?
- What will you challenge yourself with today?
- What could you do to improve your work?
- What will you do to improve your talent?
- What will you do to solve that problem?
125th Dance Celebrations

As part of the schools 125th Birthday celebrations all students from Reception to year 3 were part of a medley dance that lightly traced the last 125 years of dance and music history at the old scholars luncheon. All students involved did an amazing job and received much praise and encouragement from everyone in attendance. We will also be doing a repeat performance in the coming weeks for parents and caregivers to attend, keep an eye on Schoolbag for dates and details.

Kim Copeland - Student Wellbeing Leader
On Monday 2\textsuperscript{nd} July we are offering 2 family sessions about Growth and Development. These sessions will be facilitated by Kidz Biz.

Kidz Biz Education’s core business is to develop and deliver personal and social development educational courses for primary year students.

The session time are:

**Session 1:** 6.40pm – 7.30pm year R-4 (ages 5-9) and their parents/caregivers.

**Session 2:** 7.40pm – 8.30pm year 5-7 (ages 10-13) and their parents/caregivers.

Designed to educate, prevent and promote personal and social development, health and well-being among young people, they provide the positive stimulus to develop the skills and knowledge and to explore values and attitudes so that students can address the myriad of issues that confronts them daily.

The highly informative content within these workshops is current, accurate, relevant and impartial, and is mapped to the Australian Curriculum: Health & Physical Education and the Keeping Safe: Child Protection Curriculum.

The cost per family for the night will be $15.

Please look for the information flyer that will come home with your child in the coming weeks.

Look forward to seeing you all there.
Welcome to Rose Park Primary School’s inaugural 2018 debating season. At the beginning of this year, students from Year 6 and 7 displayed a strong interest in debating, resulting in the registration of 5 teams into the South Australia Debating Association Competition.

Students have been attending weekly coaching sessions every Wednesday after school, learning about the sport of debating. Debating is a wonderful opportunity to improve organisation of ideas, clear and effective expression and the ability to argue convincingly.

All students have now participated in their first round of debating. It was pleasing to see students presenting clear, well researched arguments and engaging in strong rebuttal. They also displayed robust manner and clarity of delivery; a credit to all their past teachers. Below are the results from the first round of debating.

All teams engaged with the topic ‘That we should ban scientific and commercial animal testing.’

Results (Round 1)

**Debate 1**
Scotch I versus Rose Park 3  
*Rose Park 3 won by 6 points*  
(Aryan, Ellie and Benjamin)

**Debate 2**
Scotch II versus Rose Park IV  
*Rose Park IV won by 2 points*  
(Avanish, Diana and Amelie)

**Debate 3**
Rose Park I versus Rose Park V  
*Rose Park V won by 1 point*  
(Ava, Isobel, Sreehitha, Matthew, Janeeta and Brooke)

**Debate 4**
Rose Park II versus Walford II  
*Rose Park II loss by 6 points*  
(Zoe, Jessica and Orlando)

All speakers achieved excellent points for their method, manner and matter, with Brooke from Rose Park achieving the highest result for an individual speaker. Round 2 is only 4 weeks away with teams arguing for the negative ‘That society is too focussed on body image.’ We wish teams all the best with their future debates.

The Year 6/7 Team - Michael Michell, Zara Lygo, Karsan Hutchinson and Jane Hopper
Music News

Term 2 has started with a rush of events and some crazy weather. Congratulations to everyone involved with the 125 celebrations. Special congratulations to all the performers during the week. On Friday the ‘back in time’ themed R-3 dance medley was a big hit with the Old Scholars as were the Senior Choir and the buskers.

The year 6/7 students who performed at the RPPS fete were amazing. Presentations ranged from a performance of Waltzing Matilda in drama and song to a trombone solo. We raised a little money and had the fabulous experience of sharing our learning about performance with the wider community. Thank you to all the performers and their support teams.
Music News contd.

The ‘Resoundingly Strings’ Workshop at Marryatville High School is for all the string ensemble members. It is to be held on 22nd May at MHS.

The Legends Winter Concert is scheduled for Tuesday 3rd July to be held at Marryatville High School. This will include all school ensembles and auditioned soloists. Auditions for aspiring soloists will be held in Week 5. Please contact me if you are interested.

Senior Choir Our assessment will be an important milestone for us. We are expected to have learned much of our repertoire from memory and be able to confidently and musically present it all. The assessment criteria focussed on following the conductor, singing faces, posture and a solid understanding of the context of the song. We need to keep working hard to ensure we are ready to perform at the Festival Theatre in September.

We were very excited to receive the ‘ising’ choir t-shirts and are preparing for assembly on 29 June.

Year 5 Wind Tuition This programme has proved very successful again this year. All students involved have made impressive progress in a short time. Keep supporting your child to practice as we work toward the Legends Winter Concert on Tuesday 3 July.

Music Support Group meeting will be held on Friday 25th May at 2.30 in the staff room. Everyone is welcome. To be discussed – Legends Winter Concert. Thank you again to Vanessa Robertson for organising the ising t-shirts, the choir were delighted!

PROPS
We are looking for high, standing, triangular ART easels as props to display posters for the Winter Concert. If you have 5/6 tucked away in the garage or know someone who can help it would be appreciated.

If you have any questions about classroom music, instrumental tuition or would like to offer ideas or suggestions about the Arts/music programme at Rose Park please contact me christine.narroway761@schools.sa.edu.au.

Chris Narroway
Year 7 Netball
The Rose Park Year 7 team won their Sub Junior One Grand Final against the Garnets!! This is an amazing achievement as it was their first ever Grand Final and they had finished the season top of the ladder after an impressive season.
Well done to the following players: Maya L, Charlotte S, Chloe W, Sammy K, Annie W, Elise P, Sana A, Gadise C and Charlize M.

SAPSASA News
Congratulations to Gadise C, Annie W, Ava W and Maya L who were selected in the East Adelaide SAPSASA Netball Team to play in the SAPSASA statewide Netball Carnival from 28 May - 1 June.

Congratulations to Josh C for being selected in the East Adelaide SAPSASA Football Team to play in the SAPSASA statewide Football Carnival from 28 May - 1 June.

SAPSASA Swimming
Last term we had 4 students who were selected to represent East Adelaide in the district carnival. They had an amazing day of swimming with the following results! Congratulations to Fred, Archie and Alice. Fred 5th in 50m freestyle; Archie 5th in 50m back; Fred and Archie - gold in freestyle relay 10 year olds. Alice – silver in medley relay and gold in freestyle relay 12 year old girls with new state record.

SAPSASA Cross Country
Congratulations to the Cross country team who participated in East Adelaide District Day on Thursday 10th May. All athletes did a fantastic job with many finishing in the top group of runners for their age group.
Hi Kids!
Thanks for joining your schools Jump Rope for Heart team. Together, we can have fun and help others. Your school Jump Off day is coming up soon so get skipping. Simply ask family and friends to help you raise money for a great cause! Why not try to use the internet to get sponsors. It’s fun! Log on to jumprope.org.au and follow the directions! All you need to do is Click, Flick and Skip!

Girls Football
The Rose Park Girls football season is well and truly underway this term. Our dedicated team of girls faced the icy weather conditions to play Mercedes last week, and the ‘All Stars’ this week. Some fantastic sportsmanship was displayed this week, with 6 RPPS girls donning an ‘All Stars’ guernsey to ensure they had enough players to fill the team.

Registrations to play are now closed, however if your daughter is interested in developing her skills, she is more than welcome to train with us every Monday afternoon, 3:30-4:30.

URGENT REQUEST
If your child has a Rose Park Netball Top but is not participating in the winter season, can you kindly return it to Tracy Wilkinson in the Front Office asap. Thank you.

We are looking for volunteers to coach Basketball. If you know anyone that may be interested in being placed on a data base for future seasons please email Tracy.wilkinson126@schools.sa.edu.au
THANK YOU!
To the Rose Park Community
from Old Scholars

On Friday 4th May, about 60 former students and staff attended the tenth AGM of the Old Scholars Association, and enjoyed a great lunch, good company and wonderful performances from the children.

Members of the Old Scholars Committee would like to extend thanks to the many staff and parents who helped and supported us. Special thanks to Chris Narroway and Kim Copeland and the children for their hard work, imagination and fabulous acts; to parents Pia West, Sue Cayzer, Yuko Saito, and Philippa Van Essen for their design sense, work in the kitchen and the Hall, and organizing the cake; the many children who helped prepare the Hall and waited on tables; and the staff providing help and support, including Di Burrell, Sally Colburn, Renee Lynn and Rebecca Weber – you all helped make the lunch the success it was.

Many Old Scholars have since told us how impressed they were with the courtesy of the children helping with food, and the discipline and commitment of the children performing – definitely a credit to the School.

In addition, as part of the School Fete and History Month, Old Scholars staged the History Exhibition. This was attended by about 120 old scholars and friends and over 100 parents and children. We were delighted by the community response to the exhibition, and thank all attendees for their support. Again, many staff helped us prepare for this, including Penny Sinclair, Helen Moyes and Crystelle Ferguson. Rose Park Primary School has again demonstrated what a wonderful school it is, with a wonderful and supportive community.

THANK YOU! THANK YOU! THANK YOU!

Kerrie Davies - Old Scholars Committee President

Kytons Fundraiser

Thank you for your generous support of our Easter Kytons Fundraiser. Together we raised $229 toward the early years playground redevelopment. I’ve always been a believer of ‘every bit counts’.

On behalf of P&F may I express my sincerest appreciation to Tracy Wilkinson for her assistance in the lead up and Lauren Davis for her patience and persistence in distributing the orders on the day!

As a teacher myself, I was incredibly impressed with the maturity and enthusiasm of Alina D, Nasya K and Paige H who also assisted with delivering orders to classrooms. We couldn’t have done it without you girls!! Thank you.

Julie Bottger
On behalf of P&F

School Fete Volunteers

Thank you to all the wonderful parent volunteers who donated goods and manned the stalls on the day of the fete. A special thanks to all the tireless volunteers on the Cake Stalls, Sausage Sizzle Stall and Toy Stall.
How do I enable notifications on my phone so I can receive Qkr notifications from my child's school?

Ensure your Notifications settings are activated for the Qkr app.

**Step 1**
Select settings in your iOS or Android device

**Step 2**
Select Notifications.

**Step 3**
Look for the Qkr app and ensure the toggle is switched on to allow notifications.

**Step 4**
Open the Qkr app on your phone, open settings and ensure the ‘Push Notifications Enabled’ toggle is switched to green.

For iPhone and iPad users:
1. Click the "App Store" icon on your Apple device.
2. Type your school name in the search, using suburb name will help.
3. You will see your school appear, click "Get" then "install".
4. The app is FREE to download.
5. When installed click "Open".
6. Select "OK" to receive push notifications, when asked.
7. Click the "More" button on the bottom right of the app, then "Setup".
8. Toggle on the Push Categories that are applicable for you by tapping the on/off switch.

For Android users:
You must first have signed up with a Google Account before installing the app.
1. Click the "Play Store" button on your Android Device
2. Click the magnifying glass icon at the top and type in your school name, using suburb name will help.
3. Click the school name when it appears in the search.
4. Click the "Install" button.
5. Click "Accept" for various permissions (please note, we do not modify any of your personal data on your device).
6. Click "Open" when installed.
7. Click the "More" button on the bottom right of the app, then "Setup".
8. Toggle on the Push Categories that are applicable for you by tapping the on/off switch.

Please Note: Some brands of Android phones need the setting in "Notification Manager" changed to "Allow" instead of "Notify" in order for the push notifications to work. The phone must also run at least version 4 system software to run the app.
The new Child Care Subsidy, and what it means for you

On the 2nd of July, the Australian Government will transition to a new Child Care Subsidy (CCS). This will replace the existing Child Care Rebate (CCR) and Child Care Benefit (CCB).

There are a number of key changes that families who rely on childcare before and/or after school need to know, including:

- Any benefit will be paid directly to child care providers (like Camp Australia), who will then only bill the ‘gap’ amount to families.
- There will continue to be hardship relief.
- For families earning less than $186,958, there will no longer be an annual cap on the amount of subsidy you can receive. For families earning between $186,958 and $351,248, an increased annual subsidy cap of $10,000 per child will apply each year.

If you’d like to know what percentage of your child care costs you can claim back through the Child Care Subsidy, check out the simple Family Childcare Subsidy Estimator at https://www.education.gov.au/sites/education/files/chcare/est/index.html

Program details

We’re here to make Outside School Hours Care the best experience possible for your child.

To find out more about our program, view fees and to register visit www.campaustralia.com.au

We look forward to seeing you and your family soon.

From the Team at Camp Australia.
Pin Up Board

Homestay Wanted for International Student.
12 year old girl attending Rose Park Primary School for Term 3.
If you would like to know more please contact Seona Payne on 8331 7521.

Entertainment Books are now available from the Front Office.
The books are $70 each and all funds raised will be going towards the Junior Primary Playground.
Please see Tracy Wilkinson for further information.

Art Classes are held after school in the upstairs shared area Monday afternoon 3.40-5.00 pm
