### From the Principal

Dear Families,

Charities Day is one of the students’ favourite days of the school calendar. Each year the children from year 3-7 get to create a stall, and for one frantic hour of selling, the whole school has fun raising money for a charity. This year, with the NSW bushfires so prevalent in our minds, the SRC has chosen to donate their funds to the Bushfire Appeal.

The concept behind Charities Day is for students to be creative in designing a stall that will be entertaining. Homemade or home-grown items are the goal where possible, so parents please be mindful of not needing to pay twice i.e. buying goods for the stall only to spend money buying them back on the day!

Students begin setting up stalls after recess, with buying starting from midday. Pack up occurs from 1pm. A maximum of $10 per student is allowed however your discretion in only allowing much smaller amounts is advised. There are generally not a lot of “lunch” type items, so bringing lunch on the day remains a requirement. For younger students, while class teachers are on hand, parent support in walking around the fete-like set up is really appreciated.

Charities day is next Friday 8 November – we look forward to yet another great day.

### School App

Our downloads have now reached 213. Those that have downloaded continue to provide positive reviews to the school on the handiness of the app alert. Please spread the word that this free app is a great way to be alerted to school activity.

### Teacher Award

Congratulations to Penny Sinclair who has been awarded by her peers with a “Recognition of Excellence” certificate, through the Council for Education Associations of SA. The award, presented to her by the Hon. Jennifer Rankine, Minister for
Education and Child Development, is recognition of Penny’s service to the organisation. Well done Penny on her contributions to this professional body.

Principal

**IBPYP**

In Term 3 the R-1 students worked through a unit of inquiry from the **Transdisciplinary Theme** “Where we are in place and time”.

**Central Idea** “Families are different but also similar”

**Lines of inquiry**
* Family history (Personal)
* Connectedness to other places
* Family structures

**Concepts**
Connection
Form
Perspective

At the conclusion of the unit students responded to the statement “Families are connected”, here are some of their replies.

Families are nice
Families are funny and fun
People are tolerant
Families can get cross and still love each other
Families eat dinner together
Families live together
Families love each other
Families look after each other
Families are respectful
Families celebrate together
Families do homework together
Families keep on trying
Families cooperate
Families are tolerant
Families play games together
Families communicate

These are very insightful statements from our youngest students. Well done!

**Music News**

**Scheherazade**

Please give a standing ovation to the Year 4/5 students who performed as part of the middle primary musical Scheherazade. Each performance during this week has reflected the effort and commitment to making the musical successful. Brilliant job from all the cast.

Congratulations to all the support team staff and parents and thank you to everyone who was involved in some way. It was an outstanding effort by all.
Instrumental tuition for 2014

Year 5 tuition for 2013 will be sorted out over the next few weeks assessing eligible students and sorting into instrumental groups. All year 5 students will be involved in some form of school based music tuition. Next year there will be over 70 students involved so priority for these limited lessons will be given to students who do not already learn at school or have never accessed DECD /IMS lessons.

Please contact me if you have any questions.

IMS string tuition requests are also being processed over the next two weeks so if you interested and haven’t contacted me please do so ASAP.
Christine.Narroway761@schools.sa.edu.au

ALL other tuition should be directed through the 2014 school based instrumental forms coming out in Week 5

REMEMBER you will need a form for beginning and continuing students!

Old Scholars Day 2013

On Sunday 26 October the wonderful Super Singers, String Ensemble and Recorder Ensembles performed for the old scholars at their annual general meeting. Thank you to all the students and their parents for coming out on a Sunday to perform. The Old Scholars really appreciated their presentations.

Music Count Us In

On Thursday 31 October at 12.00 pm, 600,000 students across the nation including our whole Rose Park School, sang and played together ‘Keep On’ an inspirational song written especially for the One Song event staged around Australia to promote and celebrate music education. What an amazing sound! We had great fun.

Musica Viva in Schools

On Friday 1 November Rhythm Works ‘’percussion ‘ will be performing in the hall. During term 3 and 4 students have been looking at percussion and how to integrate simple technology into composition. I am looking forward to seeing their live presentation.

I am looking forward to the weekend.
