Plan summary

This table will be automatically populated to provide a summary of your plan.

Goals	Targets	Challenge of practice
Increase in achievement in writing R-7.	2019: To increase the higher bands achievement of 6 students in writing in each classroom	If we build teacher capacity to explicitly teach and assess Writing to inform next teaching steps then we will increase achievement in Writing
Increase the number of students in High Bands Reading	2019: To increase the High Bands achievement of 6 students in reading in every classroom	If we develop a whole school approach to reading that builds teacher capacity to assess, track and monitor student progress then we will increase the number of students in High Bands reading
All students will engage in learning through a critical and creative lens through the International Baccalaureate Primary Years Program	2019: To embed the Structure of Observed Learning Outcome (SOLO taxonomy) model that describes levels of increasing complexity in students' understanding of subjects.	If we update the scope and sequence and units of inquiry we will increase the number of students succeeding in the IB program
